

## TwentyOne Skills

# All About a Career in Science: Paths, Requirements, and Application Processes

### Objective

The main objective of this class is learning about possible paths to professorship. You gain an overview of application and hiring process. After this class, you will understand and apply formal and content-related standards regarding application documents and understand the appointment procedure.

You will get an overview of alternative career options beyond professorship.

### Description

- Paths to professorship
- Application and hiring process
- Application documents
- The appointment procedure
- The appointment lecture
- Beyond professorships: other jobs in academia

### Conditions

In cooperation with TwentyOne Skills, GRADE offers about 35 asynchronous online courses.

The 3-month sessions start at the beginning of January, April, July and October.

Registration is possible at any time. Confirmed participants can access the courses for 3 months at the online platform of TwentyOne Skills.

The current registration link can be found here: <https://tinygu.de/en21skills>
